Sherriann Moore, has been appointed as the Director of the Office of Urban Indian Health Programs (OUIHP). She said, "I very much look forward to our continued work, TOGETHER, with all of you to further the good work that is in progress and is planned for upcoming years. The opportunities are many and great for urban Indian health programs. I will work hard with you, for you, and for the people we serve to achieve our collective goal of improving the access to quality health care for urban American Indians and Alaska Natives".
