

Sacramento Urban Health Center Achieves Accreditation

Category: News

written by NCUIH | October 6, 2016

Congratulations to Ms. Britta Guerrero, CEO Sacramento Native American Health Center (SNAHC) for achieving accreditation by the Accreditation Association for Ambulatory Health Care (AAAHC), in addition to certification as a Patient Centered Health Home. Achieving accreditation demonstrates SNAHC's capacity to provide the highest quality of health care services to the urban American Indians and Alaska Natives that they serve.
