

NCUIH FY22 IHS Urban Indian Health Budget Analysis

Category: Policy Blog

written by NCUIH | June 21, 2021

WASHINGTON, DC (June 16, 2021) - Recently, on May 28, 2021, President Biden released the detailed annual budget proposal for Fiscal Year (FY) 2022. The proposal includes a total of \$131.7 billion for the Department of Health and Human Services (HHS), which represents a nearly 23.5% increase to current enacted budget for FY21. The request includes \$8.5 billion for the Indian Health Service (IHS), a \$2.2 billion increase from FY21 and \$100 million for urban Indian health, a nearly 60% increase. The request also endorses NCUIH's priority fix for allowing urban Indian organizations to use existing IHS funding for facilities improvement and renovations.
