About the Board Members

Our new board members are distinguished leaders in Native health care administration, passionate advocates for community health, and committed to culturally competent care. Their expertise will significantly influence our strategies and programs, enhancing health outcomes across American Indian and Alaska Native communities. Learn more on our website.

About NCUIH

The National Council of Urban Indian Health (NCUIH) is a national representative for the 41 Urban Indian Organizations contracting with the Indian Health Service under the *Indian Health Care Improvement Act*. NCUIH is devoted to the support and development of high quality and accessible health and public health services for American Indian and Alaska Native people living in urban areas.

NCUIH respects and supports Tribal sovereignty and the unique government-to-government relationship between our Tribal Nations and the United States. NCUIH works to support those federal laws, policies, and procedures that respect and uplift Tribal sovereignty and the government-to-government relationship. NCUIH does not support any federal law, policy, or procedure that infringes upon or in any way diminishes Tribal sovereignty or the government-to-government relationship.
