The National Council of Urban Indian Health (NCUIH) is the national non-profit organization devoted to the support and development of quality, accessible, and culturally-competent health and public health services for American Indians and Alaska Natives (AI/ANs) living in urban areas.

NCUIH is the only national representative of the 41 Title V Urban Indian Organizations (UIOs) under the Indian Health Service (IHS) in the Indian Health Care Improvement Act (IHCIA). NCUIH strives to improve the health of the over 70% of the AI/AN population that lives in urban areas, supported by quality, accessible health care centers.

"We Will be Known Forever by the Tracks We Leave”
A Talking Circle on Emergency Preparedness
(Session 2 of 2)

Urban Indian Organizations (UIOs)
COVID-19 Public Health Emergency Response and Vaccine Implementation Planning in UIOs

Project Description

“This project will develop the capacity of Urban Indian Organizations in COVID-19 preparedness, response and vaccine dissemination. Through COVID-19 Prevention and Control in Urban Indian Health Programs, NCUIH will work closely with up to 41 Urban Indian Organizations (UIOs) to address public health priorities related to COVID-19 by supporting UIO public health emergency response and vaccine implementation planning…”
Activities

Talking Circles

• “We Will be Known Forever by the Tracks We Leave”: A Talking Circle on Vaccine Planning (Sept. 29)
• “We Will be Known Forever by the Tracks We Leave”: A Talking Circle on Emergency Preparedness (Oct. 13)

SME

• Technical Assistance
• Office Hours
• Training Webinars

Storytellers

• Sharing of policies, procedures, protocols, etc.
• Assist with trainings
• Ambassador for other health care centers

Assistance for UIOs

• Trainings/Webinars
• Office Hours
• Discussion Boards
"We Will Be Known Forever by Tracks We Leave"

Request for Applicants
Protecting Our Future Through Vaccination Planning and Emergency Preparedness - Storyteller Application

The National Council of Urban Indian Health (NCUH) is seeking applications from Title V Urban Indian Organizations (UIOs) interested in serving as a Storytellers for a Centers for Disease Control and Prevention (CDC)-funded project on emergency preparedness/response and vaccine planning.

Complete the form below for consideration. For questions, contact Yvonne Itlo (yitlo@ncuh.org) or Melissa Watson (mawatson@ncuh.org).

Deadline Friday, October 22, 2021
Provide training to staff to successfully implement plan developed, with support of SME.

- Develop and provide acceptable template(s) and reference documents/materials for the UIOs in collaboration with CDC, in accordance to regulatory bodies and applicable government bodies that UIOs must address for their vaccination requirements, and addressing leadership and management emergency preparedness topics to include but not limited to:
  - Adult vaccinations
    - Federal regulations and guidelines
    - State regulations and guidelines
    - Indian Health Services (IHS) regulation and guidelines
  - Emergency preparedness
    - Policies
    - Procedures
  - Standard Operating Procedures (SOPs)
  - Share best practices with all UIOs and provide information to NCUIH to be utilized on NCUIH’s website and through the NCUIH newsletter
    - Template, SOPs, Policies and Procedures, Best Practices, Trainings utilized within the organization
  - Support and assist in development of training events with NCUIH
  - Assist in identifying training needs for UIO staff to support development of TA strategies
  - Develop and deliver UIO training to successfully implement plans developed
  - All other duties as assigned

Core Requirements

- Submit a minimum of two (2) articles to NCUIH’s newsletter on emergency preparedness and/or vaccine planning
- Complete tracking spreadsheet of all documents, references, materials, etc. shared via Sharepoint and NCUIH Newsletter/Website
- Designate staff as a project director with commitment to emergency preparedness and/or vaccine planning
- Attend monthly check-in calls with NCUIH project staff & UIO Storytellers
- Provide documentation of all professional development trainings completed with proof of certification/attendance

Project activities, trainings and collaboratives are anticipated to include substantive participation from experts from CDC with experience in emergency preparedness/reponse and vaccine planning, however the expectation is the SME is available as an adjunct on an as needed basis to more rapidly and effectively meet the needs of NCUIH members.
